# Heather Kruszewski

heather.k.tech@email.com • LinkedIn • (317)385-3813

## SKILLS AND TRAINING

**Languages:** Python, JavaScript, HTML/CSS, SQL, PostgreSQL
**Libraries & Frameworks:** jQuery, React, MaterialUI
**Technologies & Other:** Postman, REST API's

## RELEVANT PROJECTS

**Front-End Application: *Books For Everyone***            04/2023
*JavaScript, CSS, HTML, local JSON server*

> The app currently has twenty-two books with five different genres. There is a filter drop down menu that allows the user to filter through the five genres. When the user hovers over each book it will highlight the selected book.

**Front-End Application: *App Journal***            08/2023
*React, JavaScript, CSS, HTML, local JSON server*

> The app is used for future app ideas displayed with a simplistic modern format. The user can add, edit, and delete ideas. Each idea is stored in the local JSON server.

## ADDITIONAL EXPERIENCE

**Watsons Remodeling LLC,** Cicero, IN            06/2020 - 12/2021
